

Inclusion Equipment List 2022

	<p>Solite UK 4 section Profile bed, with Low / Medium contour mattress (x3)</p> <p>Electrically operated four section profiling bed with variable height control to provide ease of use for carers and clients. Low to high range of 30 – 70.5cm.</p>
	<p>Delta Summit All Terrain Buggy (x5)</p> <p>A rugged yet lightweight three-wheel special needs All-Terrain Buggy offering outstanding off-road capabilities, making woodland walks, beaches, and country paths readily accessible. We have three buggies available in varied sizes.</p>
	<p>Mountain Trike (x1)</p> <p>This mountain trike is a great addition to our growing fleet of off-road chairs. It can be self-propelled, assisted or pushed. The chair has lightweight aluminum frames, high end mountain bike technology which makes it great for dealing with the uneven ground through our forest and many other off-road situations.</p>
	<p>Seahorse Sanichair Toileting and Showering Chair (x1)</p> <p>The cleverly designed frame enables the Seahorse Sanichair to fit over the majority of toilets, whilst the higher center of gravity enables the user to be effortlessly tilted for washing and showering.</p>
	<p>Self-Propelled shower/commode chair (x2)</p> <p>Shower Commode provides several excellent features including the bright blue PU covers that assist any user with visual impairment and a molded seat for comfort and warmth. It has flip up armrests and swing out footrests that are quick and easy to remove, making transfers simple and safe.</p>

Inclusion Equipment List

	<p>Tennent propelled shower/commode chair (x1)</p> <p>Shower Commode provides several excellent features including the bright blue PU covers that assist any user with visual impairment and a molded seat for comfort and warmth. It has flip up armrests and swing out footrests that are quick and easy to remove, making transfers simple and safe.</p>
	<p>Tilt-In-Space Shower Chair (x1)</p> <p>Manufactured from aluminum it is extremely lightweight. Ideal for users with poor muscle tone, the Tilt-In-Space Shower chair seat can be tilted from 6 degrees through to 25 degrees using the ergonomically designed handle, allowing for a more comfortable and relaxed seating position.</p>
	<p>Pool Hoist & slings (x1)</p> <p>Available for groups who require assistance in the pool.</p>
	<p>Manual Hoist & slings for bedroom use (x2)</p>
	<p>Electric Hoist for bedroom use (x1)</p>
	<p>Changing Table (Short x1) (Long x 1)</p>

Inclusion Equipment List

	<p>Wooden Table Raisers & Height adjustable Tables</p> <p>To enable wheelchair users to sit at dining room tables.</p>
	<p>Pro Move Slings (x3)</p> <p>The Pro Move Sling is a disabled lifting sling for when you can't take your hoist with you. It can help disabled people transfer from a wheelchair to just about anywhere.</p>
	<p>Night Rails (x6)</p> <p>Available for Beds with padded covers</p>
	<p>Patient Multi Mover – Slide sheets (x3)</p> <p>A simple but highly effective aid for transfers and repositioning. Versatile and simple to use, the sliding interface comes between the two fabric sheets rather than between the fabric and the user's skin, so friction is minimized and comfort is enhanced. We have other sizes available.</p>
	<p>Wooden Curved transfer boards</p> <p>Ideal for lateral transfers to or from chairs with armrests, this Curved Transfer Board is made from sturdy birch wood ply with rounded corners and tapered edges to ensure smoothness and comfort.</p>
	<p>Turning Pads (Transfer Turntables)</p> <p>This strong but lightweight Transfer Turntable can be an invaluable aid for a carer or relative, providing a smooth, easy, and constant rotation when transferring a user to and from a bed, chair, commode, or car etc. The transfer turntable features a full 360 degree turning circle.</p>
	<p>Lockable Drugs/Medicine Trolley (x2)</p> <p>Available for groups to store medicines and drugs safely.</p>

Inclusion Equipment List

	<p>Mini fridges (x2)</p> <p>Available for groups to store medicines and drugs safely.</p>
	<p>Wheelchair cosy (x4)</p> <p>Available for groups for those chilly or wet days.</p>
	<p>Hurricane Harness</p> <p>These harnesses have been adapted to help make our roped activities more accessible for all. A chair user can feel safe and secure in this harness. They are supported by the harness itself from the shoulders to the knees whilst being kept in a seated position throughout. <i>(These are only used with our instructors on activities.)</i></p>
	<p>Break out space / Sensory Room (x1)</p> <p>A calming space with a variety of sensory equipment, including a variety of beanbags and lighting equipment. It is a brilliant calming space.</p>
	<p>Slide mat with handles (x1)</p> <p>A simple but highly effective aid for transfers and repositioning. Versatile and simple to use.</p>
