

- We confirm that London Youth and Hindleap Warren have complied with the Government's guidance on managing the risk of COVID-19.
- We have carried out a COVID-19 risk assessment and put in place measures to help prevent the spread of COVID-19:
 - We have additional cleaning, handwashing and hygiene procedures in place in line with guidance.
 - We have taken all reasonable steps to ensure a 2m distance can be maintained between staff and guests from different family bubbles.
 - Where people cannot be 2m apart, (particularly in the context of safety) we have taken practical steps to reduce the transmission risk.
- We ask that you adhere to any rules explained to you, or signage that is in place to manage the risk of transmission of COVID-19.
- Please ensure that if any member of your group is displaying any signs or symptoms of COVID-19, or has already been advised to self-isolate, that you do not attend Hindleap Warren and contact the centre about re-arranging your visit.
